For our Boudry site we are seeking a

Financial Controller (m/f)

As a Financial Controller, you oversee the management accounting, including external and internal projects, in respect of the Swiss GAAP. You bring competencies, experience and knowledge in supporting our department managers and our project teams. Finally, you contribute to the development of the Finance Team, by strengthening and improving its methodology and tools.

Your main tasks

- _ Management of all external and internal project-related financial aspects over their lifecycle (from opening to closing)
 - _ Give financial support to our departments and project teams
 - _ Perform periodic management accounting (CO) closings, including variance analysis
 - _ Edit financial reports, analysis and statistics to support top management decision making process
 - _ Contribute significantly to the financial budgeting and forecasts
 - _ As SAP Key User, drive change requests in SAP Financial domain
 - _ Play a major role in the continuous improvement of the Financial Team
 - _ Substitute the financial accountants for their main activities
- _ Languages: Proficient in English (written and spoken) and good knowledge of German and French
 - _ Ability to develop teamwork relationships based on high standards and trust
 - _ Ambitious and open-minded person, with an international oriented mindset, capable of working autonomously as well as in a team
 - _ Able to handle sensitive and confidential information with tact and diplomacy
 - _ Strong ability and desire to work in a fast-paced, complex, dynamic, multicultural and change-oriented business environment

Your profile

- _ Brevet fédéral – Qualified Accountant or equivalent background
- _ Proven experience (5 to 10 years) in a similar position
- _ Strong hands-on financial planning and analysis expertise paired with proficiency in accounting and reporting
- _ Experience in industrial-projects accounting and accounting principles of project management
- _ Strong interest in the industrial environment
- _ Proficient in using an ERP (SAP: an asset) as well as profound knowledge of MS Excel

What we offer

- _ A function that meets your ambitions, with the possibility of progression within a company focused on the market and customer satisfaction while being attentive to the continuing education needs of its employees
- _ The opportunity to take up many challenges as well as collaborate on continuous improvement in a stimulating and constantly evolving technical environment
- _ An enriching experience through various activities
- _ Excellent working conditions and first-rate social benefits
